## Club News

As our 2014-5 Season comes to an end, we will be turning our attention to recruitment for next year. We need additional players to strengthen our squads and to this end we will be holding 2 open training nights during the summer as well as promoting this with local schools and on Social Media. We also need additional Coaches, Committee members and helpers to assist us in the running of our Club.

If you would like to become involved, then please let our Committee know over the summer. Whatever small time you can spare will help the Club enormously!
